

# Cobens Benefit Calculator –

## How to guide

This is a simple guide to help you complete your benefit choices and make the most out of your benefit spend.

1. First enter your name and email address
2. Should you wish to direct any of the allowance towards the Cycle to Work Scheme then please enter the annual monetary amount into the “**Cycle to Work Scheme**” box.
3. Should you wish to direct any of the allowance towards Gym membership then please enter the annual monetary amount into the “**Contribution to Gym Membership**” box.
4. Should you wish to direct any of the allowance towards your Company Pension Scheme then please enter the annual monetary amount into the “**Contribution to Pension Scheme**” box.
5. Make your benefit selections, the dropdown list in the “**Benefits Available**” will detail everything that you can choose from. You can click on the benefits and this will give you details of each of different benefits;

**Health Cash Plan** – you can choose between different levels of cover which give you a bigger health budget.

**Dental Insurance** – you can select the level of cover and whether to include dependents on the policy.

**Private Medical Insurance** – you can select the level of cover and whether you wish to include any partners or dependents.

**Health Assessment** – If you select this option, we pass your contact information on to the provider to arrange your appointment.

6. Your **Benefits Cart** will detail the overall cost of your benefits, should you exceed the allowance your employer has given, the details will be confirmed in here. Any overspend will be deducted from your salary via salary sacrifice on a monthly basis.

Once you have clicked on submit this confirms your selections for the benefit year; if you have any questions or you need any support please let us know – [info@cobens.co.uk](mailto:info@cobens.co.uk).
